COMMENTS:

This bill would require that all California employers that provide unemployment insurance to their employees to notify their employees of each employee's possible eligibility for the federal earned income credit (EIC).

This bill also would express the Legislature's intent to study the fees charged by tax preparers to prepare a claim for the federal EIC.

The April 26, 1999, amendment made a non-substantive technical change. The department's analysis of AB 1370 as amended April 13, 1999, still applies.
